

Discover the rainforest

Take a rail journey to the land of wonder

Combine 900 exotic islands, 2900 magnificent reefs, 9000km² of pristine rainforest and a rugged frontier land the size of a small country—then add a warm heart, a sense of adventure and a laid back spirit and you’ve just discovered the paradise that is the tropical north. Find yourself there on a Queensland Rail Travel holiday and you’ll realise exactly why the list of attractions and the pace of life here is the envy of the world.

- Trek into ancient tropical jungles
- See natural beauty and rare animals
- Stroll through rainforest villages
- Experience waterfalls, lakes and rivers
- Climb mountains shrouded in mist.
