Gin Gin Camp Oven Cook Out

Gin Gin

In August, Gin Gin will come alive for the Camp Oven Cook Out, which will also include the markets at the Historical Village. The day begins with the markets and a cane cutting competition and a dog spike driving competition. Then it's out to the Showgrounds for lunch and a team penning horse event. Camp oven cooked dampers, hot roast rolls and stew are also available for lunch, and there will be a traditional roast and vegetable evening meal. There will also be a bar and live music to entertain the audience.
